Summary

Dealmaker and master in partnerships.

\$ \$.

1) My second startup, WeAreGadgets.com, started with an investment of less than \$8000 and with a team of 3 people. In less than 6 months, we crossed over a million dollars in revenues.

2) My fourth startup taxithere.com grew to be the largest network of tax filing points(4850) in less than a year.

3) An avid reader of non-fiction, chasing 100 books every year.

4) My recent social startup, wedidit.in crossed 1000+ volunteers in less than 6 months.

5) Recognized as 'CEO of the month' - May 2018 by the CEO magazine.

6) Finisher of 3 obstacle races in 3 cities within 36 days (2019 - Devils Circuit).

7) Economic Times award winner 2021: "Excellence in Social Entrepreneurship."

8) Authored a non-fiction book - "5 Killer habits - Be a Rebel".

9) Resource person/speaker in over 20 collages.

10) I pushed my physical limits by running 3 half marathons on the last week of Dec 2021.

Selling is in my genes. I love to sell. I am confident that I belong to the top 1%.

I believe I was born to try new things and experience everything that life offers; my mission is to leave this planet a better place for the next generations.
