

INTRODUCTION

My name is Dakota Hendrix Folger.
I am 26 years old. I live with my two daughters; one is 3 and the other is 1. I am primarily a video game developer and I am very experienced with technology. I also have experience with office work, assembly line, sales, telemarketing, and customer service. I am a quick learner. I am searching for a meaningful career with others that share a similar passion as I.

CAREER HIGHLIGHTS

While employed as an Outside Sales Rep by Vector Marketing I was promoted within the first week for most sales in the office.

(Selling Cutco kitchen equipment/kutlery)

During my first year of self employment, I received startup funds for my video game development/digital entertainment company Bazoo Studios LLC as a result of placing 3rd in the 2017 Wetzel County Entrepreneur Business Pitch Competition.

Received PlayStation Development Kit from Sony.

Licensed for development on all popular platforms.

(PlayStation, Oculus VR, Nintendo, Windows, Apple, Android, Facebook Games)

Thank you for your time!
